

Certificate of Approval

This is to certify that the Management System of:

svt Holding GmbH

Glüsinger Str. 86, 21217 Seevetal, Germany

has been approved by LRQA to the following standards:

SCCP – unrestricted certificate for the petrochemical sector and that this conforms to the Sicherheits Certifikat Kontraktoren – SCC-VAZ 2021 programme

Approval number(s): SCCP – 0026335

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

The scope of this approval is applicable to:

Management, development, production, distribution and installation of passive fire protection systems and products such as fireproof coatings, fireproof, watertight and gas-tight penetration seals, shaft back filling as well as fire protection ducts and fire protection services. Project management to eliminate hazardous materials in buildings, fire damage and water damage restoration.

Paul Graaf

Area Operations Manager, Europe

Issued by: LRQA Deutschland GmbH
